

Library Resources

GIL-Find Catalog — **GIL-Find** is the library catalog, a database of all of the books, eBooks, streaming films, journals, and other materials owned by College of Coastal Georgia.

Each student has a GIL-Find account for requesting and renewing materials. Use GIL-Find to find books on our library shelves as well as eBooks and journals in print and digital format.

Coastal students, faculty, and staff also can check out materials from other institutions within the **University System of Georgia**. (This service is called **GIL Express**.) Request materials through your GIL-Find account. (Switch from College of Coastal Georgia to University System of Georgia using the search box drop-down menu.)

GALILEO — **GALILEO** is a portal to more than 100 databases of periodicals and scholarly journals, as well as eBooks and eJournals, maps, newspapers, photographs, historic documents, streaming films, and more. Find the link on the library's webpage

Course Reserves — **Course Reserves** are materials your instructor has set aside for your class. They are located at the Help Desk and are arranged by Call Number. Check your syllabus for the titles of these materials or find them in GIL-Find by title, author, instructor, or course. Course Reserves may be checked out for two hours for use inside the library.

Interlibrary Loan — ILL is a service available for borrowing books and articles that are not available at Coastal Georgia or within the University System of Georgia (GIL-Find/GIL-Express), in GALILEO, or on the internet. Use the request forms on the library's webpage or in GALILEO. Contact Karen Haven at khaven@ccga.edu for more info.

Research Guides — **Research Guides** or **LibGuides** are webpages curated by librarians. Guides focus on specific courses, programs, or on general interest topics. Some offer tips on research and other academic topics.

More Resources & Services

Room Reservations — Gould Library in Brunswick has spaces that may be reserved by students, faculty, and staff, for group study or meetings. In addition, faculty/staff may reserve the **Computer Lab** and **Active Learning Room**. Reserve library spaces online or on the iPads located throughout the library.

Technology — In addition to **computers** and **printers**, the library has a **One-Button Studio+**, **3D printers**, **scanners**, **Chromebooks**, **cameras**, and more. The **Active Learning Room** has three Ricoh interactive flat panels/monitors, the **Computer Lab** has a projector, and all study rooms have Samsung Flips. Check out our guides at <https://libguides.ccgga.edu/tech>.

Coastal Scholar Repository — The repository facilitates access to the research, creative works, publications, and teaching materials of Coastal Georgia faculty, research, staff, and affiliated contributors. Find the link on the library's webpage. Contact Lynda Kennedy for more information.

Archives and Special Collections — Coastal Georgia's Archives and Special Collections are managed by Lynda Kennedy. Contact her for information about accessing these resources.

Leisure Reading — Our **McNaughton Collection** includes new bestsellers from graphic novels to thrillers and nonfiction. Find them in the Leisure Reading section. We welcome recommendations. See Cary Knapp for details.

After-Hours Help — The **Question Center** is one of several ways librarians answer questions after hours. Find it at libanswers.ccgga.edu, along with our FAQs, Live Chat (available 24/7), email, text and telephone numbers.

The New York Times

Free Subscriptions — *The Chronicle of Higher Education* and *The New York Times* are available online for faculty and staff, courtesy of the library. Students also may access *The New York Times* online at no charge. Search for "Subscriptions" in our Research Guides.
